A higher degree. A higher purpose.

SUMMER SCHOLARS WEBINAR SERIES

A PROFESSIONAL DEVELOPMENT SERIES FOR NURSES PRESENTED BY WALDEN

As a Nurse, You Wear Many Hats

You are a leader, an educator, an expert clinician, and a healer. Every day, **you solve new challenges**. You know the importance of developing your skills and always continuing to learn.

Walden proudly invites you to take advantage of a new professional development opportunity for nurses. Our **Summer Scholars webinar series** is designed to help you build new skills in all aspects of your nursing career.

EARN CONTACT HOURS

Resources are available to view any time so you can learn at your convenience. When you view a resource and complete the evaluation, you can **earn contact hours**. Your contact hour certificate will be available for download or printing.

Walden University is accredited as a provider of continuing nursing education by the American Nurses Credentialing Center's Commission on Accreditation.

SUMMER SCHOLARS WEBINARS

SUMMER SCHOLARS AS LEADERS

Emotional Intelligence and the Nursing Leader

ON-DEMAND WEBINAR • 1 CONTACT HOUR

with Dr. Jeanne Morrison, PhD, MSN, RN

Learn more about one of the most important components of personal and professional success: emotional intelligence (EI). This program will guide you through the building blocks of EI and help you develop the skills to improve your own effectiveness and enhance your team's performance. By raising your own EI, you'll be better equipped to understand workplace attitudes and behaviors and motivate others to achieve exceptional results.

SUMMER SCHOLARS AS EDUCATORS

Sixteen Ways to Engage a Learner

ON-DEMAND WEBINAR • 1 CONTACT HOUR

(PART 1 AND PART 2 COMBINED)

with Hazel A. Dennison, DNP, FNP-BC, CPHQ, CNE

Part 1: Building Toward Skillful

Nurse educators are faced with challenging situations today. They have to reach more nurses than ever before and are expected to make sure that nurses learn the information. Nurses are often shorthanded and want education that is direct and to the point. This presentation focuses on assisting the nurse educator to find creative methods of engaging nurses in the learning process.

VIEW NOW > bitly.im/Skillful

Part 2: From Skillful to Savvy

This presentation focuses on assisting the nurse educator with finding creative methods of engaging nurses in the learning process and provides examples of how nurses can use technology. Examples include polling software, screen capture software, interactive software, and others.

SUMMER SCHOLARS AS EXPERT CLINICIANS

Acute Coronary Syndrome

ON-DEMAND WEBINAR • 1 CONTACT HOUR

with Hazel A. Dennison, DNP, FNP-BC, CPHQ, CNE

This presentation assists the clinical nurse or nurse practitioner student with gaining knowledge to identify stable angina, unstable angina, NSTEMI and STEMI, and treatment strategies for these diagnoses. There are several case studies at the completion that allow you to review what you have learned.

Meds to Avoid in Kidney Disease

ON-DEMAND WEBINAR • 0.5 CONTACT HOURS

with Hazel A. Dennison, DNP, FNP-BC, CPHQ, CNE

This is a brief look at medications to avoid in the individual with kidney disease or on dialysis. If you are unsure about what should not be prescribed for an individual with chronic kidney disease, this short presentation reviews the classes of medications to avoid, the medications within that class, and why these medications can impact kidney disease.

Certification Beyond the Bedside

ON-DEMAND WEBINAR • 1 CONTACT HOUR

with Debra Sullivan, PhD, MSN, RN, CNE, COI and Deborah Weatherspoon PhD, MSN, RN, CRNA, COI

Ensuring that nurses are competent and provide quality care to their patients has become a focus for many facilities. This webinar explores the benefits of certification to nurses, patients, and organizations and describes the leadership skills necessary to motivate yourself and others toward certification. You'll learn the barriers to certification and effective methods of overcoming them.
