Chapter Policy and Procedure Manual

1. Petitioning for a Chapter Charter

Policy

The American Nursing Informatics Association (ANIA) Board of Directors (BOD) have established the criteria to be met in order to form a new chapter. ANIA shall allow chapters to function subject to policies and procedures established by the BOD. Chapters are subordinate to ANIA National.

Procedure

Interested ANIA members may petition to form a local, chartered chapter. It generally takes approximately 12 months to complete the full chapter chartering process. The following chart illustrates the required phases to the chapter chartering process.

Phase 1: Chapter Potential Assessment

- a. Any group of ANIA members who wish to explore the possibility of starting an ANIA Chapter should contact the National Office at chapterscoordinator@ania.org
- b. The National Office will notify the Regional Director (RD) for that area.
- c. An assessment of interest and commitment must be performed by the RD as an initial step to determine member commitment and potential longevity of a petitioning chapter. The assessment should address the following questions:
 - i. Are there at least ten (10) members of ANIA who wish to belong to the chapter?
 - ii. Are there at least four (4) members who are committed enough to the growth and development of a local chapter to assume leadership positions within the chapter?
 - Chapter leaders must complete the provisional chapter chartering process including signing the Provisional Chapter Formation Agreement.
 - Chapter leaders must be willing to serve as President, President-Elect, and Secretary/Treasurer until the first election.

Chapter Policy and Procedure Manual

- iii. Where will the chapter officers be drawn from over the next two (2) to four (4) years and beyond?
 - iv. Is there an established ANIA Chapter nearby and will the formation of this chapter conflict with other chapters?
 - v. Based on the response to the above questions, the RD will bring forth a recommendation for Chapter formation or for discussion of viable alternatives to the BOD.
- B. A motion for acceptance of the group as a petitioning chapter will be made by the RD either at a monthly BOD meeting or via email to the BOD. A decision should be finalized upon the motion by the BOD within 15 days.
- a. When a group is accepted as a petitioning chapter, the RD requests a new chapter packet be sent from the National Office to the petitioners.
 - b. When a group is rejected as a petitioning chapter, the RD will work with the group to determine what needs to be done in order for the group to reapply.

Phase 2: Petitioning Status-Chapter Formation and Organizational Structure

- i. Completion of Chapter Charter Petition (see ANIA [website](#))
 - Ten (10) active ANIA members with email addresses are required
 - Founding leadership team including email address and ANIA membership expiration date must be supplied. All persons listed as chapter officers must be active members of ANIA through the end of their term.
- ii. Profile Form for Petitioning Chapters (see ANIA website)
 - Leadership team
 - Area, regional or zip code coverage request
- iii. Chapter's first 12-month Operational Plan
 - A petitioning chapter needs to document its plan for fulfilling the following educational meeting requirements during the first year of operation:
 - a. If petitioning status is granted between January 1 – March 31: Minimum of one (1) business meeting and two (2) educational meetings with or without awarding contact hours.
 - b. If petitioning status is granted April 1 – December 31: Minimum of one (1) business meeting and one (1) educational meeting with or without contact hours.
- iv. Chapter Bylaws Draft
- v. Employer Identification Number (EIN) must be obtained and documentation provided to the National Office. You can find the latest IRS information on the process by searching using the phrase "How to apply for an EIN"

Chapter Policy and Procedure Manual

- Complete [online application](#) for an EIN
- Send an e-mail with new EIN number to the ANIA National Office chapterscoordinator@ania.org. and copy the RD

Phase 3: Provisional Chapter

Once a petitioning chapter has completed Phase 1 and 2 satisfactorily, the RD puts forth the petition for provisional chapter status to the ANIA BOD for a vote. If the vote is negative, the RD will work with the petitioning chapter to correct any deficiencies. Once a petitioning chapter is accepted, the Chapter Formation Agreement (see ANIA website) needs to be signed by the Chapter President and submitted to the National Office within 14 days of approval of provisional chapter status.

Upon receipt of the Agreement, a Welcome Packet will be forwarded to the Chapter.

A. Welcome Packet

- Chapter Name
- Chapter Number
- Chapter Website information
- Welcome Letters
- Status Certificate
- ANIA membership information will be sent to chapter president

B. The Chapter Coordinator completes the assignment of ANIA members to the new chapter, based on zip codes. Members are notified by the National Office of the chapter assignments. Members have the right after chapter formation to switch chapters by updating their profile selection on ANIA's website.

C. A chapter may not establish membership for individuals whom are also not members of ANIA.

D. All chapters must comply with ANIA Policies and Procedures and Bylaws of the Association.

E. Chapter must vote on proposed chapter bylaws based on the Recommended Chapter Bylaws within 60 days of chapter formation.

F. All chapters must sign and agree to adhere to the Provisional Chapter Affiliation Agreement with ANIA. The signed agreement must be submitted to the National Office within 14 days of approval of provisional chapter status and copy the RD.

Phase 4: Full Chapter Status

After one year of successful chapter operation including business meetings, education offerings and required documentation submission, the RD will submit a motion for chapter acceptance and the ANIA BOD will vote on full chapter status.

Chapter Policy and Procedure Manual

2. Adopting and Amending Chapter Bylaws

Policy

ANIA advises chapters to adopt the recommended Chapter Bylaws as they stand (see Addendum B). Amendments made to the Recommended Chapter Bylaws for an individual chapter must be reviewed and approved by the ANIA BOD.

Procedure

1. In the petitioning process, if the Chapter does not use the recommended Bylaws presented by ANIA National, a draft Chapter Bylaws must be approved by the ANIA BOD. At the first official meeting of the chapter leaders, the ANIA approved Chapter Bylaws need to be accepted and recorded in the official minutes.
2. To make amendments to the Chapter Bylaws:
 - a. The Chapter Secretary will submit the proposed changes to the RD.
 - b. The RD will submit the proposed changes to the ANIA BOD for review. Modified chapter bylaws must not conflict with any existing ANIA Policy & Procedure or Position Statement. If the proposed amendment is not approved, the reason will be cited and the Chapter Secretary will be informed. Chapter leaders may reassess the requested changes and resubmit.
3. The Chapter Board will assess the relevance of the Chapter Bylaws every three years. A copy of the Chapter's Bylaws and all subsequent revisions should be kept on file indefinitely with the other chapter documents, such as the Chapter Affiliation Agreement and meetings minutes in the Chapter's official ANIA chapter website.
4. A copy of the Chapter's Bylaws and all subsequent revisions should be kept on file indefinitely with the other chapter documents, such as the Chapter Affiliation Agreement and meetings minutes in the Chapter's official ANIA chapter website.

3. Chapter Privileges

Policy

Chapters are granted full privileges to serve as local representatives of ANIA.

Procedure

The following privileges are granted to chapters:

1. Access to RD for support and communication
2. Use of ANIA's official name and logo for official chapter purposes
3. Financial assistance if approved
4. Use of chapter membership list

Chapter Policy and Procedure Manual

5. An online website specific to the chapter
6. An online resource library specific to the chapter
7. Complimentary listing of chapter educational meetings on ANIA's Website if approved through the RD
8. \$100 discount on ANIA Annual National Conference for two (2) Chapter board members.
9. Use of ANIA's library of webinars with CEs, with approval of RD Listing as an official chapter with the Chapter President's name on the ANIA website

4. Elections

Policy

Any chapter member who is a full member (not student or honorary) of ANIA may be a candidate for any office of that chapter. It is strongly recommended for a candidate to be an ANIA member 1 year prior to running for chapter office. Full members of ANIA in that chapter are qualified to vote for chapter officers. Chapters will hold annual elections for chapter offices of President, President-Elect, Secretary, and Treasurer (or Secretary/Treasurer) each calendar year. In order to maintain stability, it is recommended that the positions be staggered so that the entire chapter leadership does not change in a single year. Can include other board member positions as determined by chapter and as per chapter bylaws.

Procedure

1. Term of office for all board positions is two (2) years.
2. It is encouraged that officers not hold a term for more than two (2) consecutive (2) two year terms.

If the chapter began its provisional status between

- a. January 1 – October 31: First election will be held so that new officers take office January 1 of the next year
 - b. November 1 – December 31: First election will be held so that new officers take office January 1 two year hence.
3. The Chapter Leadership Team (President, President-Elect, Secretary, and/or Secretary/ Treasurer) is responsible for filling all open chapter officer positions.
 4. A call for nominations to the membership will be made by the Chapter President-Elect no less than thirty (30) days prior to balloting. The call for nominations should be made via email to all members and posted in the chapter's Website. All chapter members must have access to one of the notifications of the opportunity to serve as a volunteer chapter leader.
 5. If, after a call for nominations is made to all chapter members, there is only one (1) candidate for an office (uncontested), those candidates may then be declared the winners.

Chapter Policy and Procedure Manual

6. If more than one (1) candidate for any office is identified, voting will take place via electronic ballot for only active ANIA chapter member. Each active member may vote one time per position. Contact the Chapter Coordinator to arrange for this.
7. The candidate receiving the highest number of votes will be declared the winner. In case of a tie, the winner will be decided by lottery by the Chapter Leadership team.
8. If a Leadership Team member is not able to meet their commitment, the chapter should follow the Chapter bylaws.

5. Financial Reporting

Policy

Chapters must submit required financial information in the [Annual Chapter Report](#). The Annual Chapter Report is due to the National Office by January 31st of each year.

3. The National Office will forward the Annual Chapter Report to the appropriate RD and will report missing or incomplete reports.
4. For delinquent chapters, the RD is responsible for contacting the Chapter Leadership to facilitate completion of the report. Certified letters may be sent to the responsible chapter officers by the ANIA BOD requesting the required reports within a certain date.
5. Chapters not submitting Annual Chapter Report by April 30th will not meet minimum

Chapter Policy and Procedure Manual

reporting requirements for that year and will be placed on probationary status.

6. Chapters not meeting minimum reporting requirements are still required to file [Form 990N](#) as required by the IRS.
7. Chapters will be notified by the National Treasurer or National Office of any changes in the financial reporting procedure.

2. If requested funds are not available from the approved budget, the request will be forwarded to the national ANIA BOD for consideration. The chapter will be informed of the decision.
3. If approved, the reimbursement form must be completed and forwarded to the National Treasurer for processing and payment.

7. Meetings: Scheduling Conflicts

Policy

Chapters should not schedule program dates that conflict with national ANIA programs (i.e., National Conference and any other meetings initiated by the National Office and as published in its media outlets).

Chapter Policy and Procedure Manual

Procedure

1. Chapter Presidents should check the sites and dates of all confirmed nationally sponsored ANIA programs on ANIA's Website.
2. A chapter may schedule a local chapter meeting in conjunction with an ANIA Webinar.
3. Before finalizing the dates for chapter programs one (1) day or longer in length, Chapter Presidents should check with the National Office or ANIA's Website to verify that the proposed dates do not conflict with any nationally sponsored ANIA programs.
4. If a proposed chapter program is deemed to be in conflict with a nationally sponsored ANIA program, the Chapter President will be notified by the RD with a request to reschedule the program.

8. Probationary Chapter Status

Policy

Chapters not meeting the required chapter activities as outlined in the Chapter Chartering process by December 31st or not submitting the required chapter reporting by January 31st of the following year to the National Office, will be placed on probationary status. Failure to meet all criteria by January 31st of the year following the probationary year may result in dissolution of the chapter.

Procedure

1. Probationary Chapters not meeting minimum reporting requirements in their first or second year, will be removed from the Directory of Chapters and notification of the need to re-petition will be sent to the last Chapter President.
2. Prior to initiating steps for dissolution, the RD will assist the chapter to identify problem(s), offer solutions, and encourage alternatives to dissolution.
3. If the chapter does not re-petition for charter, the Dissolution of Chapter process will be followed.

9. Dissolution of Chapter

Policy

If a chapter on provisional status does not complete the requirements to resolve probationary status or the membership cannot sustain the chapter, then the chapter may be dissolved.

Procedure

1. Membership cannot sustain the chapter

Chapter Policy and Procedure Manual

- 1.1. If the Chapter Leadership determines that the membership cannot sustain the chapter, the Chapter President or designated officer of the chapter will notify the National Office and the assigned RD.
 - 1.1.1. Any remaining funds will be transferred to the National organization.
 - 1.1.2. A letter will be sent by certified mail to the Chapter President with a copy to the Chapter Treasurer of the dissolved chapter. Evidence of the receipt of the certified letter of notification will be filed with the dissolved chapter's records.
- 1.2. In the case of complete non-activity despite attempts by RD to contact last known chapter leaders, the ANIA BOD will vote to dissolve the chapter.
2. The Chapter Coordinator will remove the chapter name from the current list and database of ANIA chapters, current electronic communication lists, and the ANIA Website.

Many Chapters find it beneficial to require that the President-Elect has previously served on the chapter leadership team for a period of time. What is essential is that the President-Elect has strong leadership and communication skills and is knowledgeable about chapter governance.
- c. The Chapter Secretary shall keep the minutes of the meetings of the members and of the BOD; shall see that all notices are given in accordance with the provisions of these Bylaws or as required by law; and in general, perform all duties incident to the office of Secretary, and such other duties as may be assigned by the President or the BOD. B. Optional Chapter Leadership Positions:

- a. Committees: Chapters may create additional committees that align with their future goals. The purpose of these committees is to assist the Chapter in completing the initiatives that have been outlined for the year. Often these positions or committee chairpersons sit on the chapter leadership team BOD.
- b. Common committees fall into two categories – operational and mission driven. Examples of operation committees include membership, audit, and industry relations. Mission driven committees include certification, education, and community service.

C. Any ANIA chapter member in good standing is eligible to be a candidate for any chapter office, it is strongly recommended they be an ANIA member for one year.

D. If the Chapter President resigns or is removed for cause, then the Chapter President-Elect will fill vacancy for the remainder of the term. Vacancies in other offices will be filled for the remainder of the term by appointment by the Chapter President and approval by a simple majority of the Chapter Leadership.

E. Removal of elected chapter officers: Any officer will automatically forfeit their leadership position if they lose eligibility as a member of ANIA. In the event an elected officer does not fulfill role responsibilities or does not contribute to effective chapter functioning they may be removed for "cause" by a majority vote of chapter leadership after proper notice (email and certified mail) and opportunity to be heard within 14 days of receipt.

F. **Absence/Abandonment:** Each Chapter Leadership team member is expected to communicate with the team in advance of all meetings if she/he is unable to attend or participate by conference telephone or other agreed-upon means of communication or if life-circumstances are interfering with his/her ability to fulfill the obligations of her/his role. If the Chapter Leadership team votes that the absent member has resigned due to non-participation, the absent member will be notified by both email and certified letter of the team's decision.

G. Dissolution Clause: A Chapter's standing may be terminated based on the following: (a) upon a breach by the Chapter of the terms and conditions of the Chapter Formation Agreement, which breach is not cured within ten (10) days of written notice by ANIA to the Chapter; or (b) upon the dissolution or cessation of operations of ANIA or the Chapter.

Chapter Policy and Procedure Manual

The Leadership team shall exercise the utmost good faith in all transactions relating to their duties for the chapter and ANIA. They shall not use their position, or knowledge gained there from, so that a conflict might arise between the chapter's or ANIA's interests and that of the individual. All acts of leadership shall be for the benefit of the chapter in any dealing. The Leadership team shall not accept any favor that might adversely or improperly influence their actions affecting the chapter, ANIA or its members. A conflict of interest (COI) form must be submitted by each leader upon election or appointment and yearly COI with the annual report.

ARTICLE VII. Contracts, Checks, Deposits and Funds

- A. **Contracts:** Proposed contracts must be submitted to the chapter leadership for approval. Contracts can only be signed after the chapter leadership have provided their written approval.
