American Nursing Informatics Association

where Caring & Technology meet

We are pleased to invite you to exhibit with us during our **ANIA Conference** scheduled for March 11-13, 2027 from the Hyatt Regency Embarcadero. We expect 400+ nursing professionals in attendance, and those who can't join us in person will be able to view the exhibitor listing on the conference event page.

When you participate as an exhibitor, you will have an outstanding opportunity to showcase your products/services to healthcare professionals working with educational applications, data collection/research applications, clinical information systems, and administrative support systems who all have an interest in the field of nursing informatics.

If your products & services are used in the IT market, then the ANIA exhibit hall is the right place to be! Your participation will ensure high visibility with the ANIA attendee.

Sincerely,

A handwritten signature in black ink that reads "Tom Greene".
